Proceeds from this year's Lights of Love Campaign will be used to underwrite several pieces of equipment needed for patient care in the new Pomeroy Emergency Services Department at Crouse Health. Construction on Phase I of the facility is now complete, with the balance of the project to be finished in stages through fall 2018. When the entire project is done, the area dedicated to emergency services at Crouse will more than triple in size, with acute care, urgent care, observation space and medical imaging in one contiguous, modern space. This exciting expansion requires that new monitors, stretchers, wheelchairs and other key items be purchased to accommodate increased patient volumes and support the high-quality work of our physicians and staff.

Thank you for your donation toward improving the quality of patient care at Crouse Health.

Lights of Love donations may be given in honor of or in memory of a loved one; to wish a speedy recovery to someone; to recognize a birthday or other special event, such as a retirement; as a "thank you" for medical care received at the hospital; as a special holiday gift; or as a friend of Crouse Health.

To contribute to Lights of Love, please complete the donation card and return it in the enclosed envelope as soon as possible. All gifts are tax deductible and will be acknowledged. Notification will be sent to your honoree, if you wish.
