### Crouse Hospital Offers Innovative Career Explorations for Students **A SPECIAL OPPORTUNITY FOR HIGH SCHOOL STUDENTS**

Each year Crouse Hospital offers a series of monthly programs about a variety of health careers. The programs this year will begin Thursday, October 18.

We will meet one Thursday a month from October through April weather permitting. Each program will run from 7:00 to 8:30 PM and consist of a presentation by a medical professional followed by a question and answer period.

Students, aged 14 and older, are invited to register. The cost for the entire series is \$30.00 and that money will be used to fund the hospital's Junior Volunteer Scholarship Program. Each year we are able to award five \$1000.00 scholarships to deserving high school volunteers.

CHOICES meets in the Marley Education Center, 765 Irving Avenue, located on the corner of Waverly and Irving Avenues. Parking is free in the Crouse Hospital garage located on the corner of Adams Street and Irving Avenue. Bring your parking ticket with you for validation.

**Students who attend a minimum of 5 of the 7 programs will be given priority for volunteering in the summer of 2019.**

**If you are considering a career in medicine, this program is for you!**

Registration forms may be picked up in your guidance office and must be postmarked and returned no later than October 15, 2018.
