Proceeds from this year's "Lights of Love" campaign will be used to underwrite equipment for the acute care section of the new Pomeroy Emergency Services Department at Crouse Hospital. This state-of-the-art facility was completed in October and is now open to the public. Through thoughtful planning, Crouse has modernized and tripled in size its space dedicated to emergency services—an accomplishment that will greatly benefit patients, families and communities throughout Central and Northern New York. All of this would not have been possible without ongoing support from the Crouse Hospital Auxiliary and generous donors to recent annual "Lights of Love" campaigns.

Thank you for your donation toward improving the quality of patient care at Crouse Health.

Donations to sponsor an individual light are a beautiful symbolic gesture to:

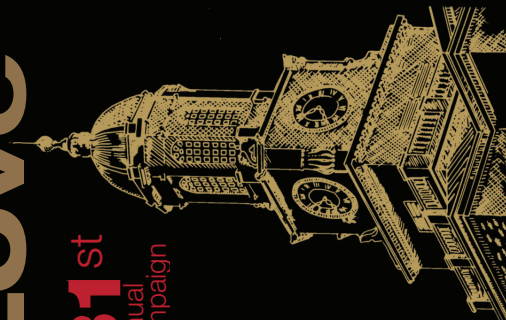

- Honor someone special
- Remember someone near or far
- Give as a gift
- Celebrate an occasion
- Show appreciation of exceptional care delivered by a Crouse physician, employee or volunteer

The annual "Lights of Love" lighting ceremony is a free, festive event for the whole family. Please join us on Monday, November 26 at 4:30 p.m. to experience the holiday fun and magical moment when thousands of sparkling lights suddenly illuminate the Crouse clock tower and the Syracuse city skyline.
