How the Program Works:

Employees enroll for three-month periods in accordance with the **Membership Cycle Schedule**. Once a program participant, enrollment in subsequent cycles and associated payments **continue automatically unless cancelled** by the “Deadline to Enroll or Cancel.” Refer to **Table 1** for Membership Cycle Schedule and enrollment/cancellation deadlines.

Employee Payments are made through payroll deductions (see **Table 2** for non-employee payments):

- **Enrollment Payroll Deductions** pay for the three-month cycle (YMCA single plan cost less \$20 per month)
- **Non-compliance Payroll Deductions** are only taken if the employee does not complete the required number of visits to earn the incentive for that cycle (in this case, membership cost is the standard YMCA rate).

In the event of closures related to COVID-19, employees can work with their primary YMCA branch on pre-payments made applicable to closure periods. Visit requirements will also be pro-rated in the event of extended closures.

Table 1: Enrollment and Payroll Deduction Schedule

Membership Cycle Schedule	Deadline to Enroll or Cancel	Enrollment Payroll Deduction Schedule	# Employee Visits Required for Incentive	Non-Compliance Payroll Deductions

Spring Cycle Apr. 1 – June 30	Mar. 10	March <i>(Pays for Apr/May/June)</i>	Total Cycle Visits = 24	\$60 in Aug.
Summer Cycle July 1 – Sep. 30	June 10	June <i>(Pays for July/Aug/Sep)</i>	Total Cycle Visits = 18	\$60 in Nov.
Fall Cycle Oct. 1 – Dec. 31	Sep. 10	September <i>(Pays for Oct/Nov/Dec)</i>	Total Cycle Visits = 24	\$60 in Feb.

Table 2: Based on 2020 YMCA rates; payroll deductions will be calculated based on actual YMCA rates (scheduled increase on 4/1/21).

Plan	Standard YMCA Rate	Incentive Rate (\$20 off per month)	Payment Made Directly to YMCA via Bank or Credit Card
Single	\$40.75 Per Month	\$20.75 Per Month	None
2-Person	\$65.75 Per Month	\$45.75 Per Month	\$25.00 on a Monthly Basis <i>\$45.75 rate - \$20.75 payroll = \$25.00</i>
Family	\$82.54 Per Month	\$62.54 Per Month	\$41.79 on a Monthly Basis <i>\$62.54 rate - \$20.75 payroll = \$41.79</i>

If you are already an existing YMCA member, notify the YMCA that you are joining the Crouse program so your current direct payment to the YMCA can be adjusted accordingly. Note, this program does not apply to the YMCA income-based “Membership for All” rates (inquire directly with the YMCA about these rates).
