We invite contributors to attend
this year's Virtual Lighting Ceremony

Monday, Nov. 29 | 5 p.m.

Due to pandemic restrictions on public gatherings, this year's clock tower lighting ceremony will be different, but just as meaningful as ones held in the past. Donors will be able to participate in this holiday tradition from the comfort of home or office via a special Zoom link that will be e-mailed to those who contribute. Please include your e-mail address on the reply card so we can send you the exclusive link to the live celebration.

Eighteen months into the pandemic, we are seeing rising patient volumes as the need for emergency services increases in our community. As the “front door” to the hospital, the Pomeroy Emergency Services Department is here 24/7, treating the most complex and urgent medical conditions – from stroke and heart attack – to broken bones and sprains.

Because of this need, proceeds from this year's Lights of Love campaign will benefit ongoing patient care and safety initiatives for patients and staff, as we continue to serve our community with superior emergency services.

Donations to sponsor an individual light are a meaningful symbolic gesture to:

- honor someone special
- remember someone near or far
- give as a gift
- celebrate a special occasion
- show appreciation of exceptional care delivered by a Crouse provider, employee or volunteer

Thank you for your donation toward improving the quality of patient care at Crouse Health. Donors and honorees will be listed on the Auxiliary's website at crouse.org/lights.

Although all gifts are greatly appreciated, we suggest a minimum donation of \$20 per honoree. You, too, are part of the Crouse Hospital Auxiliary's holiday tradition! Please be sure to include your email so you can join us for the virtual Lighting this year.
