We invite contributors to attend this year's Virtual Lighting Ceremony

Monday, Nov. 28 | 5 p.m.

This year's clock tower lighting ceremony will honor the Crouse Hospital Auxiliary. Contributors will be able to virtually watch as officers of the Auxiliary light the tower. Donors will be able to participate in this holiday tradition from the comfort of home or office via a special Zoom link that will be e-mailed to those who contribute. Please include your e-mail address on the reply card so we can send you the exclusive link to the live celebration.

We are excited to announce our 35th annual Crouse Hospital Lights of Love Campaign. A visible symbol of the holiday season in Central New York, this annual tradition involves the illumination of the Crouse clock tower in 3,000 white lights, beginning with a special ceremony on the first Monday after Thanksgiving. Lights are purchased by sponsors and donors honoring, celebrating or memorializing a friend, colleague or loved one.

For over 130 years, Crouse Hospital Auxiliary members have supported Crouse's mission, focusing on work that is meaningful to our patients and critical for their care. We look forward to showing our deep appreciation by honoring them during the lighting ceremony this year.

Proceeds from this year's Lights of Love campaign will benefit ongoing patient care and safety initiatives for patients and staff to continue providing the best in patient care. Donors and honorees will be listed on the Foundation's website at crouse.org/lights.

Although all gifts are greatly appreciated, we suggest a minimum donation of \$20 per honoree. You, too, are part of the Crouse Health holiday tradition! Please be sure to include your email so you can join us for the virtual Lighting this year.
