

A Legacy of Impact: Celebrating Patrick Mannion

Join us in celebrating Patrick A. Mannion, a champion for Crouse Health and Central New York, at the 48th Annual Crouse Health Tribute Evening on Friday, October 3, 2025, at 6 p.m. at The Oncenter. As former chair and current member of the Crouse Health Board, Patrick's leadership has been vital to Crouse's strength and his impact extends deeply throughout our community.

For tickets and sponsorship opportunities, please click [here](#) or contact Bree Peltier-Amborn at 315-470-7006 or breannaamborn@crouse.org. Tables and individual tickets are available.

The Heart of the Community

Crouse staff came out in a sea of green to walk downtown for the St.

Patrick's Day Parade. The float, featuring a clocktower design, took home 1st place for the best Not-For-Profit category (second year in a row)!

Crouse Health was proud to be the platform sponsor at this year's American Heart Association Heart Walk. The Crouse family came in full force and walked to save lives.

Levi's Legacy Lives On!

To honor the memory of their infant son, Levi, who was cared for in our NICU and at Wynn Hospital, Mathew and Sam Vincent made a gracious donation to support fellow NICU families. Having a baby in the NICU can bring many emotions and the family has collected and donated a 20' truck worth of individual boxes of extra soft tissues with "Levi's Legacy" on them, to provide an extra bit of comfort to those families. Our Materials Management team was happy to help partner with the Vincent family to spread caring in Levi's name.

Mark Your Calendars for These Upcoming Events

Dust off your hats and join us for an exciting afternoon of polo, fun, and philanthropy at the beautiful Skaneateles Polo Club on Sunday, July 27th!

Crouse Health Foundation's 24th annual Crouse Health Classic Golf Tournament, to support children's services at Crouse Hospital, will be held on Monday, **June 16th** at the esteemed Timber Banks Golf Club. We are thrilled to bring the tournament to a new location and new date.

For more information, click [here](#).

Your generous support of Polo for Preemies directly benefits the care of our region's tiniest heroes – the premature and critically ill newborns at Crouse Health's Baker Regional NICU.

For more information, click [here](#).

For more information about these events please contact Bree Peltier-Amborn, at 315-470-7006, breannaamborn@crouse.org.

NY Workforce Connect

Crouse Health President & CEO, Seth Kronenberg, MD, will be a panelist at the NY Workforce Connect event on Tuesday, June 10, where industry professionals will gather for a day of learning and networking, aimed at growing economic development in New York State. Learn more: nyworkforceconnect.com/

Celebrating National Black Doula Day

On April 11th Crouse Health staff and community-based Doulas joined together to celebrate National Black Doula Day.

Crouse Health Foundation has received a \$25,000 Health Equity Innovation Award from Excellus BlueCross BlueShield for Crouse Health's 'Standing in the Gap – Enhancing Maternal Health Experiences' program.

The 'Standing in the Gap' program, implemented by SeQuoia Kemp, founder and CEO of Doula 4 A Queen aims to improve maternal health experiences for historically marginalized communities served by Crouse Health across 14 counties in the state.

Crouse Has the Best Doctors in Central New York

**CELEBRATING
OUR
DOCTORS**
Doctors' Day, March 30, 2025

NATIONAL DOCTORS' DAY | MARCH 30, 2025

"Thank you for the wonderful work you do."

"A simple thank you is not enough for all you have done for my family."

"I definitely felt like we were a team all the way."

"Your dedication to patient health is truly remarkable."

At Crouse, exceptional doctors listen closer, care deeper and treat patients with the respect and dignity they deserve.

We appreciate our physicians each and every day, and extend sincere thanks to our doctors for living our mission of providing the best in patient care!

This year on Doctors' Day, not only were doctors at Crouse hand-delivered, compliments from patients, they were treated to an exceptional spread of food prepared by our Nutritional Services Team.

Simple Gesture, Big Impact

Many thanks to Lauryn Lothes and Keira Thornton (pictured center), seventh graders from Eagle Hill Middle School (Fayetteville-Manlius Central School District) for their donation of 'parent goodie bags' and preemie clothes to our Baker Regional NICU. The donation was part of a community service project for their social studies class. Great work, Lauryn & Keira!

Transcranial Magnetic Stimulation
at the Pomeroy Treatment Center

Did You Know?

Antidepressants aren't effective for everyone. Transcranial Magnetic Stimulation (TMS) could be the solution to help ease your symptoms of depression.

Learn more about this FDA-approved outpatient treatment at Crouse:

crouse.org/crouseconnects/tms-treatment/

New Dad Depression

Having a new baby not only can affect mothers. Crouse's Christine Kowaleski, DNP, weighs in, on the signs of 'New Dad Depression' via the Huffington Post. Learn more about it [here](#).
