As we welcome the holiday season, the Crouse Health Foundation is proud to launch the **38th Annual Lights of Love campaign** — a cherished tradition that brings warmth, remembrance, and hope to our community.

Each year, the iconic Crouse clocktower is illuminated with **3,000 white lights**, beginning with a special ceremony on the first Monday after Thanksgiving. These lights are dedicated by donors and sponsors **in honor, celebration, or memory** of someone special.

This year, while we continue to preserve the clocktower as a symbol of strength and care, **your Lights of Love gift will also support a new beacon of healing: the Crouse Women's Health Institute.**

why women's health matters

Crouse Health has been a leader in women's care for over 130 years. Today, we're expanding that legacy through the **Crouse Women's Health Institute**—a bold initiative designed to elevate care, promote wellness, and address disparities affecting women across Central New York.

Your support helps us sustain and grow vital programs that serve women across our community:

- Build a future where **every woman receives the care she deserves**, from the everyday concerns to the complex
- Educate and empower women to take preventative measures in their wellness through **community outreach and advocacy**
- Deliver compassionate, expert care via our **Regional Perinatal Center** and the region's highest level NICU
- Expand access to **advanced breast imaging** and diagnostics

warmest wishes for a **joyful** and **peaceful** holiday season.

Help us give back to our community by lighting a light in honor or memory of someone dear.

Simply fill out the enclosed card and return it with your gift in the reply envelope.

You can also dedicate a light online at crouse.org/lights2025.

Each name will be included in our virtual tribute and displayed in the hospital throughout the season.

Together, we'll keep the clocktower shining—and light the way for healthier women, stronger families, and a brighter future.

Thank you for being part of this meaningful tradition.

Although all gifts are greatly appreciated, we suggest a minimum donation of \$15 per honoree to ensure that a significant portion of your contribution benefits **Lights of Love**. You, too, are part of Crouse Health Foundation's holiday tradition!
